

## Gastvorträge im Ausland

### 2009

**07.09. – 10.09.2009**

ESREL 2009

Prag, Tschechien

**Thema:** Guttman Scaling in the FMEA of IT Security Objectives in Enterprises

**Autoren:** R. Mock, E. Kollmann, C. Ballhaus, H. Straumann

**19.05.–20. 05. 2009**

infoexchange/CA EXPO 2009

Mannheim

**Thema:** Risk Management und Compliance – Ein Ansatz aus der Risikoanalytik

**Autor:** R. Mock

### 2008

**16.12. – 20.12.2008**

Asia Pacific Microwave Conference (APMC 2008) Hong Kong

**Thema:** Web-spline Solution of Axisymmetric Cylindrical Problems

**Autoren:** F.C. Kuntner, G. Apaydin, N. Ari, S.Seker

**31.10. – 01.11.2008**

5th International Conference on Electronics and Computer Science (IKECCO 2008) Bishkek, Kyrgyzstan

**Thema:** Indoor positioning for visually impaired people

**Autoren:** G. Apaydin, N. Ari

**20.10. – 25.10.2008**

International Union of Radio Science Conference (URSI 2008) Antalya, Turkey

**Thema 1:** Finite Element Method with b-Splines for Electromagnetic Computation

**Thema 2:** EM Field Computation using Finite Element Method with Weighted Extended b-Bpline for Arbitrary Domains.

**Autoren:** G. Apaydin, N. Ari

**22.09. – 25.09.2008**

ESREL 2008

Valencia, Spanien

R. Mock

**Thema:** Implementation of Risk and Reliability Analysis Techniques in ICT

**Autoren:** R. Mock, E. Kollmann, E. Bünzli

**21.07. – 25.07.2008**

European Electromagnetics Conference (EUROEM 2008) Lausanne, Switzerland

G. Apaydin

**Thema:** Web-splines for Electromagnetic Theory

**Autoren:** G. Apaydin, N. Ari

**29.06. – 02.07.2008**

12-th International Conference on Mathematical Methods in Electromagnetic Theory (MMET 2008), Odessa, Ukraine

G. Apaydin

**Thema:** Use of Web-splines of Arbitrary Domain for Waveguides

**Autoren:** G. Apaydin, N. Ari

## 2007

### **20.10. – 21.10.2007**

International Conference on Electronics and Computer IKECCO'2007  
Almaty, Kazakhstan

**Autor:** N. Ari

### **18.10. – 19.10.2007**

4. International Conference on Electronics and Computer IKECCO'2007  
Bishkek, Kyrgyzstan

**Autor:** N. Ari

### **19.03. – 23.03.2007**

The Applied Computational Electromagnetics Society ACES, Verona, Italy

**Thema:** Application of web-splines for coaxial waveguides

**Autor:** G. Apaydin

## 2006

### **26.06. – 29.06. 2006**

Mathematical Methods in Electromagnetic Theory, Kharkov, Ukraine

**Thema:** B-Spline Techniques for Electromagnetics

**Autoren:** G. Apaydin, N. Ari

### **28.06.– 30.06. 2006**

18-th International Wroclaw Symposium and Exhibition on Electromagnetic Compability

**Thema:** Paramter Study of Transmitter Antenna and Balun for Anechoic Chamber

**Autoren:** D. Vock, N. Ari

### **12.04.–13.04.2006**

3. International Conference on Electronics and Computer IKECCO'2006  
Bishkek, Kyrgyzstan

**Thema:** DSP-FPGA

**Autor:** G. Brügger

### **12.04.–13.04.2006**

3. International Conference on Electronics and Computer IKECCO'2006  
Bishkek, Kyrgyzstan

**Thema:** Small Square Loop Antenna Analysis Using Symbolic Computation

**Autoren:** A.Y. Tesnelli, N. Ari

### **12.04.–13.04.2006**

3. International Conference on Electronics and Computer IKECCO'2006  
Bishkek, Kyrgyzstan

**Thema:** Java-Applet for Wire Interconnects as Radiators

**Autoren:** G. Apaydin, N. Ari

### **12.04.–13.04.2006**

3. International Conference on Electronics and Computer IKECCO'2006  
Bishkek, Kyrgyzstan

**Thema:** EMP-Field Simulation

**Autoren:** B. Kanberoglu, N. Ari

### **12.04.–13.04.2006**

3. International Conference on Electronics and Computer IKECCO'2006  
Bishkek, Kyrgyzstan

**Thema:** EMC Education, Symposium Tutorial

**Autor:** N. Ari

**12.04.–13.04.2006**

3. International Conference on Electronics and Computer IKECCO'2006  
Bishkek, Kyrgyzstan

**Thema:** OOP–Using Java & BlueJ, Syposium Tutorial

**Autoren:** U. Jusupov, N. Ari

**2005**

**06.05.–07.05.2005**

International Conference on Electronics and Computer, IKECCO'2005, Bishkek, Kyrgyzstan

**Thema:** Symbolic Computational Methods for Electromagnetics

**Autoren:** N. Ari, J. Usonbek, T. Ashirov

**06.05.–07.05.2005**

International Conference on Electronics and Computer, IKECCO'2005, Bishkek, Kyrgyzstan

**Thema:** EMC Education at University

**Autoren:** N. Ari, J. Usonbek, B. Kanberoglu

**06.05.–07.05.2005**

International Conference on Electronics and Computer, IKECCO'2005, Bishkek, Kyrgyzstan

**Thema:** DSP–FPGA

**Autoren:** G. Brügger, T. Ashirov

**September 2005**

Int. Conference on ICT

**Thema:** Securing New Mobile Technologies

**Autoren:** A. Fischer, H. Straumann

**2004**

**Frühling 2004**

EuroMed2004, Conference on Desalination Strategies in South Mediteranean Contries

**Thema:** Laboratory Set–up for Education and Reaserch on Automation of Reverse Osmos Plants Employing a Sustainable Energy Source

**Autoren:** E. Badreddin, A. Gambier, F. Abdul–Fotouh

**01.04. – 03.04.2004**

International Conference on Mathematical Methods in Electromagnetic Theory

Bishkek, Kirgisistan

**Thema:** Mesh Free Methods for Electromagnetics

**Autoren:** N. Ari, U. Jusupov, T. Ashirov

**14.09. – 17.09.2004**

International Conference on Mathematical Methods in Electromagnetic Theory MMET\*04

Dnepropeterovsk, Ukraine

**Thema:** Mesh Free Methods for Electromagnetics

**Autoren:** N. Ari, U. Jusupov, T. Ashirov

**01.11. – 04.11.2004**

International Conference on Computational Electromagnetic and Applications ICCEA 2004

Beijing, China

**Thema:** Mesh Free Methods for Periodic Structres

**Autoren:** N. Ari, U. Jusupov, T. Ashirov
